

**Welcome** to Hobbs School Catering and another seasonal change. We have incorporated all of the nutritional benefits your child requires to get them through the busy school day. **Please note that if your child has moved to year 3 UFSM no longer applies.** If your child is new to 'Reception' please be aware that your child is entitled to UFSM without exception. Ask the school office for details.

You will see from the menus overleaf that we are incorporating a balance of nutrition with cultural differences, to give the children every opportunity to try new and exciting flavours from around the world.

The lifestyle choices and habits children make and form at this stage of their lives will help them to lead healthy lifestyles forever. With every meal the children are allowed fresh fruit as well as their pudding. We pride ourselves on being able to make fresh baked breads and delicious interesting salads.

We do understand that all schools are different as are the children in them and writing a menu bespoke to each school would be an impossible task. Our cooks know their children in each school and their likes and dislikes so these menus are fluid to the point that if the individual schools decide to change for dishes that their children prefer, without compromising the nutritional balance, they are free to do so.

Any questions please do not hesitate to contact us:

**Gary Hobbs**  
Managing Director

Hobbie is a friendly character that will be appearing at various points around the canteen throughout the year. He will be helping to promote healthy eating and new food offers.

**Our Food** At Hobbs we have found a formula created to give your child the many nutritional benefits required for growing young minds and bodies. Your child should not be hungry. Fresh food with no processed nonsense and made with professionalism and care.

**Quality** Fresh fruit and vegetables delivered to our door from our local suppliers with direct purchasing from their own farms with no compromise on quality whatsoever. Absolute traceability of all butchery back to source to ensure a fresh, safe and healthy product for your children to enjoy.

**Special Diets** If your child has any dietary requirements please inform the school as any intolerances can be catered for. We need to know of any of the 14 allergies highlighted to us from the School Food Trust and E.U. legislation so as not to cause unnecessary stress or harm to any child. In every school we have made available to parents all of the allergens in every dish we prepare and is readily available to peruse.

**Try It** All children in Reception, Year 1 and Year 2 will be entitled to lunch paid for by the government to give children more nutritional benefits and to aid the learning process and enhance your child's abilities to absorb information. During this term give your child the benefit of having a hot lunch and see what they can achieve. If you think you are entitled to free school meals please contact the school for more information or call 0300 300 8000.

**Payments** can be made daily, weekly, half or full termly. We request that all lunches are paid for either in advance or on the day and not in arrears.

Payments should be made via our secure online payment system which is on our website **www.hobbsschoolcatering.co.uk**. Click on the 'make payment' and follow the instructions on screen. If for any reason this is not possible then please phone us on 01582 674488 and we will process your payment securely for you.
