

Foundation Subjects:

As Historians we will be finding out about key events in the history of space travel, such as the moon landings and learning about historical events in living memory such as Tim Peake's visit to the ISS.

As Artists we will be using a range of materials to produce images of planets and our visions of alien life.

As Design Technologists we will design and make models of rockets and 3D Christmas crafts.

Our focus in Computing will be staying safe on the Internet. We will also use ICT to present and enhance our work from other curriculum areas.

Science:

As scientists our focus will be investigating the wonders of the solar system. We will also focus on human biology and the senses.

Mathematics:

As mathematicians we will be working on place value, measure, 2D shape and addition and subtraction. We will also look at practical problems involving money and time.

Squirrels Autumn Term - SPACE

English:

As authors we will continue with Talk4Writing and we will be looking at stories linked to Space. We will also look at newspaper reports linked to the Moon Landings.

To help us write our own stories and factual reports, we will work on spelling, grammar, handwriting and phonics.

Spiritual & Moral:

As part of our spiritual and moral development we will look at "Being Me In My World" and "Celebrating Difference" in PSHE. In RE we will focus on festivals and celebrations.
